TEXT

Do you use Facebook? Facebook is a very popular social network. It's only twelve years old, it started in 2004. It now has 1.5 billion users. That number is growing. In 2012, one billion people used the site once a month or more. Now one billion visitors register in one day. Facebook's owner is a very rich person, he is in number sixteen in the Forbe's ranking of the world's billionaires, and he is only thirty-one years old. His name is Mark Zuckerberg. He always liked computers and programming. He started university in Harvard in 2002 and there he created Facebook with a group of friends. He left school two years later because he wanted to work on his project, Facebook. In 2010 he was named "Person of the Year" in the Time Magazine.
